Narconon Drug Rehab

How can we encourage more doctors to prescribe buprenorphine?

This says it all. We must work together to stop this epidemic.

We must empower our youth. And a special shout-out to our #STIGMA Art Show.

We hear this misconception *every day* in prevention. Prevention WINS.

And, we've had an incredible Prevention Month, but there still is work to do.

#RxAbuseAware

Everybody has a role to play in addressing this epidemic, so thank you for taking action.

#RxAbuseAware

And, let's talk about prescribers being required to certify with ABAM "before" prescribing addictive drugs.

#RxAbuseAware

We put up a one-stop web resource on opioids. It's a critical tool that you can bookmark: PreventRxAbuse.org

We talk about prescribers being required to certify with ABAM "before" prescribing addictive drugs.
